**Regional Workshop on Organizational Design of Tax Administrations
October 23 – 26, 2023**

The International Monetary Fund (IMF) 's Middle East Regional Technical Assistance Center (METAC) and the Middle East Center for Economics and Finance are jointly organizing a regional course on "Organizational Design of Tax Administrations" in Kuwait, during October 23-26, 2023.

Target Audience: The workshop is primarily designed for:

- Executives and senior managers responsible for the design and operation in a tax administration
- Mid-level managers, especially those that may move into future senior management roles responsible for organizing people, processes, and work in a tax administration
- HQ staff involved in the design and/or implementation of organizational arrangements for the tax administration
- Central agency staff involved in providing guidance, oversight, or review of tax administration operations

Qualifications: Applicants are expected to be involved in the area of organizational arrangements.

Language: The course is conducted in English with simultaneous interpretation into Arabic.

Course Objective: The primary objective of this workshop is to build knowledge and understanding of critical features in the organizational design of tax administrations

Course Description: This workshop is presented by experts from the International Monetary Fund Fiscal Affairs Department and METAC. Upon completing of this workshop, participants will have a better understanding of:

- The importance of the organizational design
- The institutional framework needed for organizational design implementation
- The main organizational models used in the design of tax administrations
- The role of Headquarters and Field Operations in a tax administration's organizational structure
- The placement of special units and functions within a tax administration's organizational structure
- The critical elements in tax administrative organizational design

Registration: Please register using by this [link](#) before **August 14, 2023**.

Workshop Format:

- Four days (Monday to Thursday)
- 6 hours a day
- Timing: 9:00 AM to 16:00 PM (Kuwait time)

For additional information concerning the content of the course, please address your inquiries to Mr. Rosen Bachvarov, Tax Administration Advisor, METAC, rbachvarov@IMF.org
