METAC and Institute of Finance Basil Fuleihan joint training on “Strengthening Surveillance of State-Owned Enterprises”

METAC, jointly with the Institute of Finance Basil Fuleihan delivered a training to staff of the Lebanese Ministry of Finance and state-owned enterprises (SOEs) on strengthening surveillance of SOEs. The training presented practical tools to better analyze and report on financial performance and risks of SOEs as well as good practices from comparable countries and peers. The training was also an opportunity to discuss a roadmap to take first actions to improve availability of financial data from SOEs to the Ministry of Finance to strengthen its surveillance function and internal reporting.
