

## **Libya**

### **Technical Assistance in Fiscal Year 2016**

#### **Banking Supervision**

Two off-site missions were held in Amman, Jordan and provided training to two groups of supervisors from the Central Bank of Libya (CBL) on risk management in Islamic banks and on “Shariah Governance and Shariah Supervision”. The training provided guidance on the methodologies and approaches for assessing risks related to Islamic banks in addition to Shariah governance, Shariah risk management, and Shariah non-compliance risk.
