

## **West Bank and Gaza**

### **Technical Assistance in Fiscal Year 2020**

#### **Statistics (December 13-15)**

METAC conducted a mission in collaboration with UNESCWA to provide guidance on revising the national accounts. The revision is a consequence of the compilation of 2017 supply and use tables and of the incorporation of new methods and new source data. The revisions affected agricultural output, retail and wholesale trade, and financial intermediation services indirectly measured.
