Tax Administration Diagnostic Assessment Tool (TADAT) Training

December 7-11, 2025

The International Monetary Fund (IMF)'s Middle East Regional Technical Assistance Center (METAC), the Fiscal Affairs Department (FAD), and the Tax Administration Diagnostic Assessment Tool (TADAT) Secretariat are pleased to invite representatives from Iraq, Libya, Djibouti, Lebanon, Yemen, Syria, Sudan, West Bank and Gaza to participate in a regional training on International Good Practices in Tax Administration based on the TADAT Field Guide. This training will be held in Amman, Jordan, from December 7 to 11, 2025.

The purpose of this training is to:

- Introduce participating countries to international good practices in a tax administration,
- Present the TADAT assessment framework and its processes for evaluating the health and maturity of key components of tax systems.

Training sessions will be facilitated by IMF experts in English, with simultaneous interpretation to Arabic and French.

Should you have any specific questions, please contact Ms. Sabine Corm, Resident Tax Administration Advisor for Fragile and Conflict Affected States (FCS) at scorm@IMF.org.
