**Regional Workshop on Supply and Use Tables  
June 11-15, 2023**

The International Monetary Fund (IMF)'s Middle East Regional Technical Assistance Center (METAC) and the Arab Institute for Training and Research in Statistic (AITRS) are jointly organizing a regional workshop on supply and use tables in Amman, Jordan, during June 11-15, 2023.

This workshop aims to enhance the statistical capabilities and scientific skills of the staff of national statistical offices in the Arab countries in the subject of supply and use tables, because of its great importance in preparing and processing data of statistical reports and producing national accounts reports.
