

Public Financial Management

National Workshops in Fiscal Year 2015

Sudan (January 19-25)

METAC assisted the authorities with the implementation of the structural benchmark related to the development of a MTFE that provides a three-year aggregate fiscal targets and projections of revenue and expenditure by main economic categories. METAC organized a series of training sessions, which incorporated formal presentations and activities to assist learning and understanding of the MTFE. METAC also provided training on IPSAS cash basis, and TA on the requirement and next steps for the Ministry of Finance and National Economy (MOFNE) to produce IPSAS-compliant financial statements.
