**Regional Workshop on Compiling Supply and Use Tables
June 11-15 2023**

In collaboration with the Arab Institute for Training and Research in Statistics (AITRS), METAC conducted a five-day workshop on Compiling Supply and Use Tables. The workshop was attended by 23 participants from 12 Arab countries and covered topics such as data sources and practical compilation techniques, balancing methods, transforming SUTs into input-output tables, and compiling SUTs in volume terms. Participants benefitted from presentations by the IMF expert, doing exercises for self-learning, and peer-to-peer learning through discussions on country practices.
