Regional Workshop on Measuring Gross Capital Formation May 7-11 2023

In collaboration with the IMF's Middle East Center for Economics and Finance (CEF), METAC conducted a five-day workshop on Measuring Gross Capital Formation. The workshop was attended by 34 participants from 16 Arab countries and covered concepts, data sources, and measurement methods to compile estimates of gross fixed capital formation, changes in inventories, consumption of fixed capital, and stocks of produced assets at current prices and in volume terms.
